

## Mission Viejo High School Choral Music Chicago Trip April 5-8, 2018 Information

Mission Viejo High School's Choral Music Program is a hard-working and successful organization that brings pride to the community. Recognizing the strong work ethics and high level of talent our kids have to offer, Worldstrides Heritage Performance Programs has once again invited the Mission Viejo High School Choral Music Program to participate in their nationwide choral music competitions in Chicago, Illinois! Exposing them to superb music programs in a competitive competition, while exploring one of the top destinations in the nation, will further provide a unique experience to grow both musically and expand the comradery within our MVHS Choral community making the Chicago 2018 trip one that cannot be missed!

### Cost and Payment Schedule

In an effort to maximize our program's trip we will combine musical experiences with the sights of Chicago thus allowing our students a once-in-a-lifetime trip they will never forget. To make this happen, we have decided to partner with Worldstrides Heritage, who is known for providing high school music programs like us amazing travel opportunities nationwide.

The estimated cost of the Chicago trip is **\$1050**. This includes Airfare, transportation (CA & IL), sleeping accommodations, an exchange/clinic with Roosevelt University, sight-seeing of major Chicago attractions (Chicago 360, Architecture cruise, the Navy Pier, Chicago Marquee Theatre, Millennium Park, etc), all breakfasts & Dinners, a Broadway in Chicago performance (Show TBD), a dinner, dance, show and awards ceremony at Medieval Times, performance/rehearsal space, competition registration, and all taxes associated with the travel.

This trip is only possible through continued support of the music program. If the choir cannot meet their donation/fundraising goals, it may not be feasible to participate in this choir trip and future tour events in general. Therefore, the cost of this trip is in addition to the student voluntary contributions that are needed annually for the sustainability of the music program.

Payments should be made by check to: Mission Viejo High School Choir. Please include your student's name and on the memo line. Payment is **due Friday, September 22, 2017** based on the trip payment and cancelation plan. This payment will reserve your spot on this trip and allow us to secure airfare. Payments do not include souvenirs, some meals, spending money or extra (non-itinerary) activities that may be available during down time.

Should a student decide he/she would like to participate and the period of adding additional students to the trip list has passed, a waitlist will be offered. In the event that a previously committed student must drop out, a student on the waitlist would be offered to take their place. All payments would be required to be caught up to the standard pay schedule at the time of commitment. An accelerated payment schedule for new students or new school year trip additions will be collected in the fall 2017.

In the event of an absence of Mrs. Norris, a locked deposit box and envelopes is located at the front of the choir room for students to fill out and deposit in. Mrs. Norris will collect deposits to turn in for contributions for the trip.

### **Who's Eligible?**

Although everyone in the Mission Viejo High School Choral Music Program is eligible to go, each student must audition due to skill level that such an event requires. Because both the Chamber Singers and Treble Choir are auditioned choirs, students in them automatically are able to attend this tour without a separate audition. All other MVHS Choral Music members must schedule an audition prior to turning in the first trip payment. To do this, please contact Mrs. Norris at [norriss@svusd.org](mailto:norriss@svusd.org).

### **Chaperones**

While we could not go on this trip without them, chaperones are responsible for the same payments and payment schedule as the students. The school requires one (1) chaperone per seven (7) students. There will be one Mission Viejo High School staff member going to Chicago. Please note: parent chaperones will not necessarily be their own student's chaperone.

There will be a mandatory chaperone meeting two (2) weeks prior to the trip as well as additional information at our trip parent meetings throughout the school year. If you are interested in being a Chicago chaperone, please contact Sarah Norris at [norriss@svusd.org](mailto:norriss@svusd.org) or our webmaster at [missionviejochoir@gmail.com](mailto:missionviejochoir@gmail.com)

### **Fundraising**

We will be offering several opportunities for our students to raise funds to help offset the cost of this trip. So far, we have our MVHS program advertisements, where a portion of a company's donations will go towards the student's trip, The new Irvine Amphitheater individual fundraiser in conjunction with MVHS Instrumental Department, and our annual Sweethearts' Dinner (February, 2018). In addition, we will help each student work up trip donation letters that can be used to ask friends and family to help sponsor their trip Chicago. Please see Mrs. Norris or the choir website ([www.missionviejochoir.com](http://www.missionviejochoir.com)) for more details. **IT IS POSSIBLE TO FUND THE ENTIRE COST OF THE TRIP THROUGH FUNDRAISING.**

### **Trip Overview / Q&A Meeting**

There will be a Parent/student meeting on **Wednesday, September 13, 2017 at 6PM** to discuss the Chicago trip so that everyone has a full understanding before the initial trip deposit is due as well as provide additional trip details for those paid in already. For any questions, please contact Sarah Norris by e-mail at [norriss@svusd.org](mailto:norriss@svusd.org) or our Trip Coordinator at [missionviejochoir@gmail.com](mailto:missionviejochoir@gmail.com).
