Dear Friends & Family,

You have been selected as a potential sponsor for _____, who is a member of the award-winning Choral Music Program at Mission Viejo High School. The students in our program commit a great deal of time and effort to become mature, highly skilled vocal musicians. As a potential sponsor, we hope you share our belief that music should continue to be an important part of a student's education and high school experience.

For the school year 2018-2019, our program and students have been invited by Choirs of America to perform at a very special concert for the nations top choirs at Carnegie Hall in New York City. Unfortunately, with an honor as large as this, comes a considerable financial commitment to be carried by our students and program. Knowing that with continuous budget cuts, the music department at Mission Viejo High School must be independently funded in order to stay in existence, in an effort to ease our financial challenges, we ask you to sponsor this student.

All of the donations are credited to the individual student that will go directly towards making their chance to perform at Carnegie Hall in New York a reality. Every little contribution helps so please consider contributions of any size. All donations are tax deductible and any donation will be greatly appreciated. If you choose to donate, please complete the form at the bottom of this letter and include this form with your donation.

With our sincere thanks,
